Welcome to the 2016 season!

Thank you for your interest in supporting Towne’s Harvest Garden! THG is MSU’s 3-acre, certified organic campus farm. 2016 will mark our 10th growing season, and we are looking forward to a field full of crops, teaching growing principles to the next generation of farmers, and your involvement!

What is a CSA?
A CSA (community supported agriculture) membership is a mutually beneficial relationship between small farms and community members. A member helps support a farm in the beginning of the season when funds are low by paying upfront for a summer’s worth of produce. The farm is then able to financially sustain itself in the early season through harvest. As a member, you will receive a weekly supply of certified organic vegetables from our farm, advice during distribution, online newsletters, recipe suggestions, and as much enthusiasm as the farm managers and interns can offer!

How it works!
This year we will continue offering some new and old options from last season. If you have any questions, recommendations, or need assistance filling out your member agreement, don’t hesitate to contact THG’s Marketing Manager @ townesharvet@gmail.com (Allison Milodragovich starting in May @ 406-925-3858.)
**CSA Membership Options**

*All members* – Along with your weekly organic vegetables, we will provide you with a THG reusable bag your first visit, which we will ask you to bring back each week to carry your vegetables home in. We will also send you a weekly, online newsletter describing your share of the harvest and recipes to help utilize your veggies! As a member, you will be the first to be informed about exciting events and any additional produce bundles for sale towards the end of the season. Each week you will come to our farm and pick out the individual bundle of each item we have to offer, while our farm workers assist you with recommendation on how to use usual items. Finally, you will be respected and shown a season’s worth of gratitude for supporting Towne’s Harvest Garden through yet another year!
